Hafa Adai Prospective Partner

In line with our mission of presenting innovative programming, The Guam Philharmonic Foundation will present the *first ever* **Saint Cecilia Music Gala Concert** at the Dusit Thani Guam Resort on Monday, November 21, 2022 during the week honoring Saint Cecilia, the patroness of musicians in time to kick off the holiday season. This year, we will honor our music educators from our public, private, charter, defense and home - elementary, middle and high schools and the collegiate level, who provide the guidance, environment and support that develop musicians who share their talents with our entire community everyday.

The **Saint Cecilia Music Gala Concert** will be hosted by former Senator Regine Biscoe Lee and Mr. Josh Tyquengco. The program will include **Guma' Råsan Åcho' Latte** - Under the direction of Fafa'nå'gue Brian "Bj" Terlaje, Guam's award-winning **Tumon Bay Youth Orchestra™** and other guest artists. During the concert, we will take some time to recognize our music educators in a special ceremony and offer prayers for their continued service to our communities.

One of the goals of this *first ever event* is to show our appreciation to our music educators on behalf of our generous Guam Community while also providing our music community, which we regard as a major *sphere of influence* the opportunity to reciprocate and help promote your goods and services especially for the upcoming holidays. With your partnership we aim to gift \$20,000 or more in goods and services.

We are respectfully requesting fifty (50) gift certificates, special discount coupons or a few special door prizes which we can raffle away specifically to music educators who are present on the evening of the event.

We also welcome

- discount coupons,
- special offers specifically for our music educators,
- and/or *swag* (items with corporate logos)

...which we can include in gift packs we are preparing for about **Fifty (50)** music educators and their families. Discounts and special offers can be valid until the **end of November 2022, end of the year 2022, or a redemption period of your choosing.**

Saint Cecilia, virgin and martyr
a brief history - by E. Balthazar

Cecilia, the Roman, one of seven women specifically named in the ancient order of the Catholic Latin Mass, was a third century Christian born to pagan parents who were part of the social elite during the reign of the Roman Emperor Marcus Aurelius. She was introduced to Christianity at a very young age. In learning about Jesus' life, Cecilia decided early on to devote herself to works of charity serving the poor and less fortunate. She fell in Love with Jesus so much she dedicated her virginity to the Lord. Despite this, she was betrothed to Valerian, a fellow Roman aristocrat. On the night of her wedding, Cecilia explained to Valerian her devotion to Jesus and her desire to remain pure. After a lengthy discussion, Valerian agreed to her wishes and was later converted to Christianity. Wanting to share the *Good News*, Valerian explained his newfound devotion to Christianity to his beloved brother Tibertius, and he too was converted. Valerian and Tibertius served the Lord by secretly providing a proper burial for Christians who were persecuted. When their actions were discovered, they were arrested and sentenced to death. Undeterred, Cecilia continued preaching and ended up converting as many as 400 to Christianity before she too was arrested and sentenced to death by suffocation from steam in her private bath. Legend says she was protected by the Angel of the Lord and was heard to be singing hymns of praise. After three days in the bath and showing no signs of struggle, a Roman executioner was ordered to enter the bath and behead Cecilia but was unsuccessful after three blows to the neck. She bled for three days during which she bequeathed her entire estate to the *Christian movement* before finally succumbing to her injuries. Since the third century, Christians including the Catholic, Orthodox, Anglican, Lutheran Churches and the Church of Sweden have regarded Cecilia as the Patroness of Musicians.
